AFRICA MISSION REVIVAL

Continuation for the establishment of EABIC in Africa starting with Ghana, then moving onward to other States within the African Continent.

- * As a fulfillment of the Africa mission Agenda directed by The Most Rt. Hon. King Emmanuel Charles Edward, The Lord Servant, we are first and foremost calling on all members of The EABIC to focus on the full establishment of the Congress in Ghana as the gateway to Africa.

* Ghana must be up and running before moving to other States in Africa; In achieving this goal we look forward to assembling a competent and committed delegation to go to Ghana in early 2019, to identify and solve the problems in New Tafo and recommend a constructive

solution that would develop and benefit the Congress as well as our brothers and sisters in Ghana/Africa.

- * Rejuvenation of the 35 ACRES of available farming and agricultural land at Dedeso.

- * To cultivate and to set up infrastructure on an industrial level, which will contribute to the self-reliance and economic freedom of our Congress in Ghana.

- * Acquire a place to accommodate members/workers while participating in the development of the E.A.B.I.C Foundation.

- * To implement and execute the items on this immediate agenda, requires extensive financial assistance along with all talented and skillful farmers, laborer's, Carpenters, Masons etc...., all manner of workmanship. It is left up to us as EABIC members to pool our resources together and show our full support, spiritually, physically and financially to fulfill the Kings command and set a solid foundation in Ghana.
